6	THE COURT: Everyone be seated. Good morning,

8	THE JURY: Good morning.
9	THE COURT: We're back to our regular order of

11	Mr. Lichtman.
12	JORGE MILTON CIFUENTES VILLA, recalled as a witness, having

15	MR. LICHTMAN: Thank you, Your Honor. Good morning,

17	CROSS-EXAMINATION (Continued)
18	BY MR. LICHTMAN:
19	Q Good morning, Mr. Cifuentes.
20	A Good morning, lawyer.
21	Q On direct examination, sir, you testified that you pled
22	guilty to an amount of cocaine distribution that put you at a
23	level of 38 on the sentencing guidelines.
24	A When did I arrive to 38?
25	Q Didn't you say on direct examination that the amount of

3	THE COURT: Sustained.
4	BY MR. LICHTMAN:
5	Q You hope to receive time served when you're sentenced,
6	don't you?
7	A I'm not that optimistic, but I would love it, yes, of
8	course.
9	Q And when you get released from prison, you hope to be
10	relocated in the United States, don't you?
11	A Or to a place very far from Mexico.
12	Q You hope to be relocated in the United States with your
13	family, don't you?
14	A I would like to, yes, sir.
15	Q You'd like to live free amongst us in America, correct?
16	A If the U.S. justice allows that, yes, sir, I would love
17	to.
18	Q And you would live with your drug dealing brothers and
19	sisters and mother in America if you can?

2	Q	And his birthday is January, is it 15th?
3	А	Eighteenth of January.
4	Q	Apologies to Alex.
5		And you know that in prison you're permitted 300

7	А	Yes, sir, that's correct.
8	Q	And the telephone numbers that you call they have to be

10	А	Yes, sir.
11	Q	And do you know if the prosecutors also have to clear the

13	А	I don't know, sir.
14	Q	So you think that perhaps you can just call anyone from
15	pris	on without the prosecutors knowing?
16	A	Everything is recorded in the system.
17	Q	I asked you let me ask another question. Do you think
18	you	can call drug dealers or criminals from prison?
19	A	No, sir.
20	Q	And why is that?
21	A	I don't know.
22	Q	You don't know why you're not allowed to call criminals

SIDEBAR CONFERENCE

1 MR. LICHTMAN: Judge, we were handed a Giglio letter 2 that included information, I'm looking for it now, 3 that Cifuentes lied when he initially told them his reasons for asking to meet Mr. Guzman in 2003. Initially he told the 4 5 Government it was solely to check on his safety; but in actuality, it was to check on the safety as well as trying to 6 7 deal drugs again. What I don't want to have happen here is 8 for them to mislead the jury and make it appear as if that 9 was -- he didn't mislead the Government initially, when it was 10 in the Giglio letter they provided to us. 11 MR. FELS: Your Honor, I have two lines with this redirect. One is I noticed that in 2014 before he told the 12

redirect. One is I noticed that in 2014 before he told the Government that he wanted Mr. Guzman for his own protection, in a report he said that, Jorge wanted to make sure he want to continue to do business in Mexico following Humberto Ojeda's death.

So I don't think it's actually accurate to say that he didn't disclose that up front.

MR. LICHTMAN: It's in the Giglio letter, that's the first thing, I relied on that.

Secondly, he already testified that the affidavit that he filled out in connection with the extradition of Mr. Guzman contained a lie.

MR. FELS: That's not what he said.

MR. LICHTMAN: That's what he testified to.

THE COURT: Stop. Isn't it the case that the Giglio letter includes not only material that everybody agrees is impeachment, but also material that the Government reasonably believes the defense might think is impeachment?

MR. LICHTMAN: So I relied on that, they believed that they told me that he initially lied to them about his reason for wanting to see Mr. Guzman. He told them it was just for safety reasons when in fact it was to deal drugs as well. I relied on that.

THE COURT: From what I just heard, I'm not hearing the prosecutor bringing out anything different from that.

It's just that it was a mixed motive.

MR. LICHTMAN: The point is in their Giglio letter it doesn't say it was a mixed motive, he said one purpose.

THE COURT: The part of the motive that is not impeachment is not Giglio. They don't have to disclose that. They had to disclose there was an improper motive. There was. They are not backing away from that. There was something else.

MR. LICHTMAN: They are saying he initially lied to them about having one motive instead of two that's the point.

THE COURT: I haven't read it. I don't know what the disclosure said. If the disclosure is.

MS. PARLOVECCHIO: This is a district practice issue, if I may interject. We say in our Giglio disclosures

THE COURT: I think you read it too broadly.

Your Honor, as we explained in the

MR. FELS:

25

sidebar conference, the Giglio disclosures that we make are to be read in conjunction with the material itself, which Mr. Lichtman has had now over a month.

THE COURT: It's a little awkward to expect him to have found this when you didn't find it until recently; isn't it? He's going on the basis of the letter, which is the primary source from which defense counsel are going to give their impeachment areas. Then you discover a week ago or during the trial or very recently, that in fact the disclosure in the Giglio letter is not true after he's cross-examined?

What I'm suggesting to you is it sounds like it took you too long to find the thing that you say you should have found earlier.

MR. FELS: I understand that, your Honor. We don't need to elicit that portion, if that's the Court's ruling. I certainly was not trying to sandbag Mr. Lichtman.

THE COURT: It's not an intentional sandbag; it's an unintentional sandbag.

MR. FELS: We'd like to at least point out that the motives are not relevant. Because he has always consistently described the number of cocaine loads that he did with this witness, the size of those cocaine loads with this witness, the number and size of cocaine he's done, loads, with other witnesses. And his understanding that regardless of what his motives may have been, his ultimate sentence was the same. So

he had no justification and no reason to provide a false statement about his motive.

THE COURT: That sounds to me like more argument in your closing; a lot of Mr. Lichtman's examination sounded the same way to me. It sounds to me that you ought to save that for closing in order to avoid having mislead the defendant, which impeachment that you now say wasn't really there.

MR. FELS: Respectfully, I don't believe this part deals with impeachment. We can sever that off and just focus on the fact that his motives -- he never, regardless of what he may have said about his motives, he never --

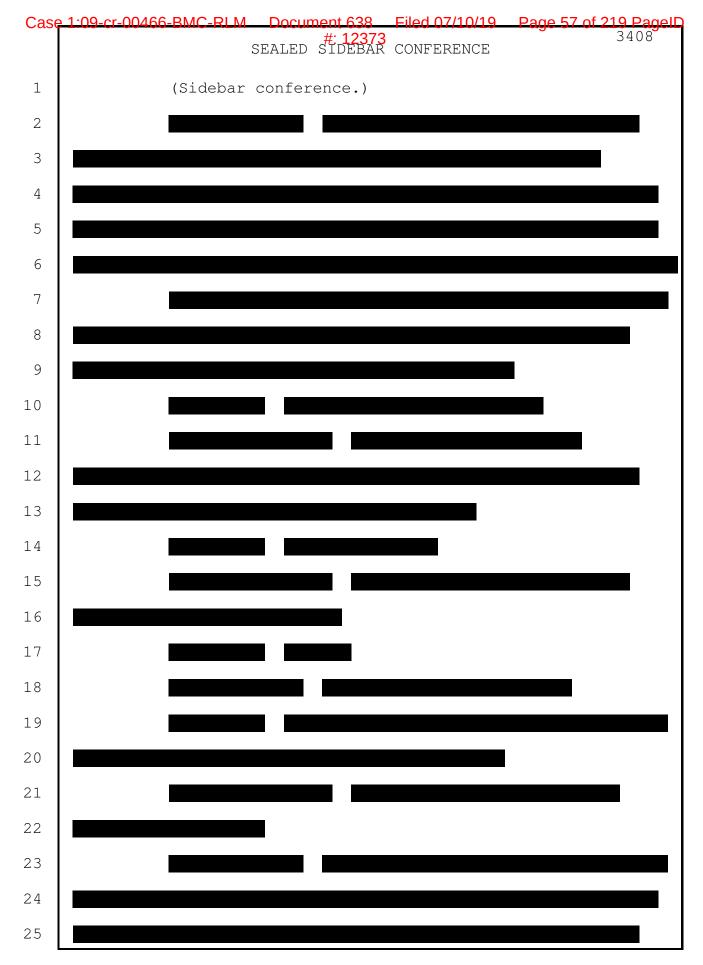

THE COURT: But look how you phrase the question, 'And I think there was testimony that one motive was to continue doing business in Mexico.' Right?

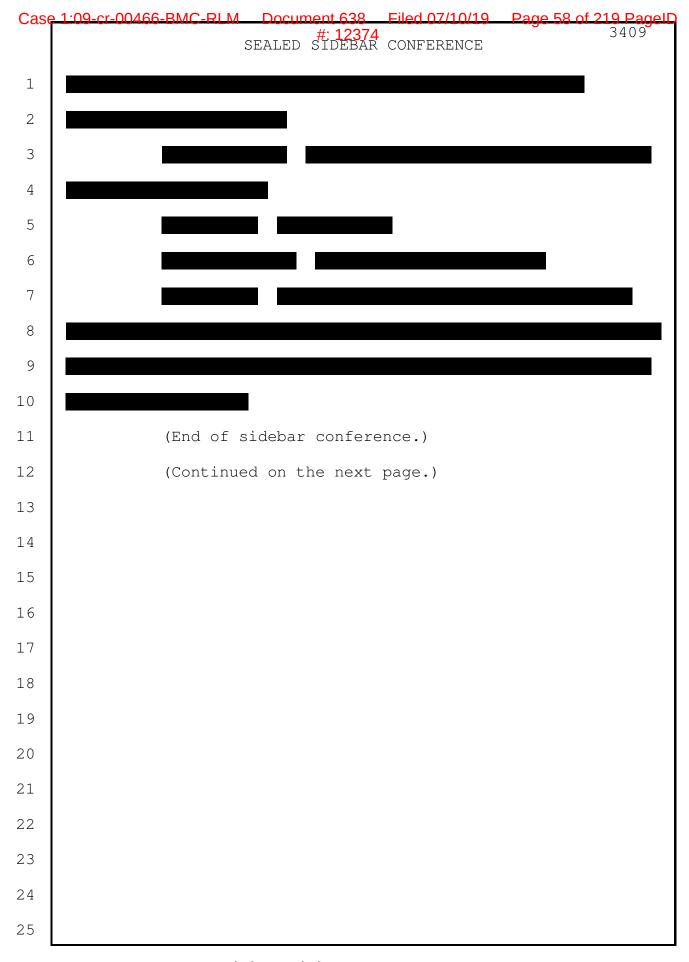

MR. FELS: Which he has said, he acknowledged that is one the motives that he said.

THE COURT: Then argue it to the jury. You'll have the transcript and you can argue that. But you can't take away from Mr. Lichtman what you gave him in pretty expressed terms in the Giglio letter.

MR. FELS: I'm not seeking to do that. All I'm seeking to do is if we put the motives to one side, and again, as I said, we can all argue motives. That he understands that whatever he may have said about the motives is really irrelevant, because he believed that regardless of what the

It was way back last week. 19 Yes, sir. 20 Do you remember those questions? 21 Yes, sir, I remember. 22 Sir, did you try to hide your family's drug trafficking 23 activities with the government? 24 No, sir. He died 15 years ago. 11 Several years before you began cooperating with the 12 government? 13 Yes, sir. 14 And remember there were some questions about Mayo 15 Zambada? 16 Yes, sir. 17 And working with him in drug trafficking, after he killed 18 your partner, Robachivas, do you remember those questions? 19 Yes, sir, that's right. 20 Remind us, who did you meet in 2003 first, Don Joaquin 21 Guzman or Mayo? 22 I first met Don Joaquin Guzman, but I already knew 23 Mr. Mayo Zambada since 1988. 24 In 2003 you met Don Joaquin first and then Mayo? 25 Yes, sir, that's correct.

- 3 A I told the government first.
- 4 Q Which happened first, sir, you talked to the government

- 8 A I made the statement first.
- 9 Q Talking about Tomas, which happened first, sir, you

- 14 Q Which happened first, sir, you described how you

- 17 A I gave the statement first. I gave the information to

- 5 | were going to leave the keys somewhere in the ashtray, I don't

- 12 A I'm sorry.
- 13 Q -- I meant the actual keys.
- 14 A Put the key back where I found them.

- 20 A Yes, it was a ugly, old beige, beige or cream colored

- 23 Q Why did he call it kidnapper van?
- 24 A It was scary looking, like old and grimy.

1	Q How much was that seizure?
2	A It was another two tons of cocaine.
3	Q Now why was that important to you?
4	A I had seen the news and I'd seen that it was three people
5	were arrested in connection with that and I recognized the
6	three men as the couriers that were giving us the cocaine.
7	Q So who did you call?
8	A I called Profe.
9	Q And what did he tell you?
10	A To get rid of my phones and that was the work, that was
11	the same people we were getting the cocaine from.
12	Q Did he connect the New York seizure with this seizure in

14	MR. PURPURA: Objection, Your Honor.

18	he say to about the New York seizure?
19	A That they were both related to the boss.
20	Q Again, who was?
21	A Jose Tirso.
22	Q And on what type of vehicle?
23	A Train.
24	Q You said you heard about this on the news?
25	A Yes.

1	Q	What did the news say about this Denny's?
2	A	Nothing.
3	Q	What did the news say about the tan van?
4	A	Nothing that I remember.
5	Q	What did the news say about the trains?
6	A	Nothing.
7	Q	What did the news say about the green-blue two-tone Ford

9	A	Nothing.
10	Q	Within a couple of days after the seizures, did El Profe
11	ask	you for something?
12	A	Yes.
13	Q	What did he ask you for?
14	А	He asked me for a loan of around \$750,000.
15	Q	For whose benefit?
16	А	It was for his boss to he said that they needed money
17	to g	et set up again.
18	Q	Again, who is his boss?
19	А	Jose Tirso.
20	Q	Did you give him any money?
21	А	Yes, I did.
22	Q	How much in total?
23	А	I gave him about 1.4, \$1.5 million.
24	Q	What did El Profe tell you this money was for? You said

1	Q	What does this represent?
2	А	I'm sorry, the drug routes?
3	Q	Yes, the lines from Chicago to Minneapolis and Milwaukee.
4	А	The places I was sending cocaine to.
5	Q	Why are you sending it to these locations?
6	А	To increase my profit margin.
7	Q	Explain to the jury, how did that work?
8	А	Well, the farther you get from the border, the higher the
9	pric	e of the cocaine. The bigger the risk, the bigger the
10	rewa	rd.
11	Q	So you were saying you're trying to make about \$2,000 per
12	kilo	of the cocaine in Chicago, approximately how much profit
13	coul	d you make in cities like Minneapolis and Milwaukee?
14	А	I would try to double that at least.
15	Q	Then we've got Memphis here?
16	А	Yes.

18	А	Louisville.
19	Q	Louisville. Then we have Columbus, then we have this

- 9 A Yes.
- 10 | Q And this cocaine that you would receive from Lupe

be hiding from the cars that were passing by because I was pretty messed up. I didn't want to bump into like a cop or

- 8 | could see it follow the kind of zigzag of, you know, like a

- 10 Q Down a mountain?
- 11 A Yes, down the mountain. I see cars going up and down the

- 14 | if you come, see if I could see you. He says, look it, I'm

- 4 A Yes. Immediately I seen Juancho and Olivares speaking

- 6 I have 200 something. He said something to Mayo, do you want
- 7 to some cocaine now? I said, yes.
- I heard -- they took over the conversation. They

- 10 | right at that moment. He said okay.
- 11 Q Who said?
- 12 A I'm -- I think it was Juancho, give me the number, so he
- 13 can put up these kilos.
- 14 $\mid Q \mid$ Did you pick up the 500-some odd kilos at that time?
- 15 A They kind of were at that moment, that night, that very

- 17 Q At this meeting did Mayo tell you from then on who he
- 18 | would be working for?
- 19 A Yes, he told me working with him and his compadre.
- 20 Q Who is his compadre?
- 21 A The Man, Chapo.
- 22 Q Who did Mayo then want you to meet?
- 23 A He said, I want you to go see my compadre tomorrow, I

- 25 Q Then who did you go to meet after that?

- 1 A I went to see Chapo.
- 2 Q How did you get there?
- 3 A I was taken by Wiwi to a runway right outside Culiacan.
- 4 We met in a corn field.
- 5 Q What kind of a plane did you get on?
- 6 A A small plane, about a four, five passenger, little

- 8 Q Where did you go.

- 22 | Q Did you see something after you landed that made you more

- 4 Q Mr. Guzman have any reaction to your shorts?
- 5 A Yes.

- 18 Q Do you remember what? Can you describe it?
- 19 A It was black. It had something shiny in it. I don't

- 21 Q Do you remember the caliber?
- 22 A I believe it was like a .38 Super.
- 23 Q What other weapons does you see him carrying around?

- 1 Q Did you ever wind up getting him any weapons yourself?
- 2 A During that trip or another one, I'm not sure, I gave him
- 3 | two .50 caliber Desert Eagle handguns, gold-plated handguns.
- 4 Q What was his reaction when you gave him these guns?
- 5 A It wasn't like, it was, I don't know, it wasn't positive.
- 6 I guess I was just watching too many movies, big, old, heavy
- 7 handguns.
- 8 Q What do you mean?
- 9 A They weighed 15 pounds each. It was not, you know,
- 10 | something that they use, I guess.
- 11 | Q Can you describe what his security situation was when
- 12 | you're up there in the mountains?
- 13 A Yes, he had a lot of heavily armed men.
- 14 Q Any sense of how many, that you saw?
- 15 A At least 40 or so.
- 16 Q You're up there in the mountains, May 2005, with Chapo
- 17 | Guzman, what do you and Chapo and your twin brother discuss at
- 18 this meeting?
- 19 A We discuss a number of things. Including Guadalupe
- 20 Ledesma.
- 21 | Q What specifically did you discuss with respect to
- 22 Guadalupe Ledesma?
- 23 A We talked about unpaid debt and my concern that we hadn't
- 24 resolved the issues.
- 25 Q What issues?

- 1 A With my kidnapping and debt.
- 2 Q What did Chapo tell you about his position in this
- 3 dispute between you and Lupe Ledesma?
- 4 A He said he was going to be with a -- we're going to be
- 5 | able to fix it. And he told me he was like, he was going to
- 6 make them come. What he told me was -- I complained saying he
- 7 | didn't want to show up, he didn't want to fix it, we can't
- 8 | talk to him. He said, if he doesn't want to come I'm going to
- 9 make him come.
- 10 Q What did you understand him to mean by that?
- 11 A He would forcibly make him come speak to all of us.
- 12 Q Then what happened?
- 13 A Then he said, but if I make him come, I'm going to give
- 14 | you a gun and he told my brother and I, I want you two guys to
- 15 shoot him once in each eye.
- 16 Q Did you do that?
- 17 A No.
- 18 Q Did you ever kill Lupe Ledesma any other way?
- 19 A No.
- 20 Q Have you ever shot or killed anyone?
- 21 A No.
- 22 | Q Have you ever ordered that anyone kill or shoot anyone?
- 23 A No.
- 24 | Q So what, if anything, did Mr. Guzman say about whether he
- 25 | believed you or he believed Lupe in this dispute?

- 1 A He said he believed us, man. That, I mean, we had the
- 2 books, you know, regarding the money, the payments we had made
- 3 in the past. He told him that, Lupe told Chapo, that he
- 4 hadn't seen us for over a year or something. He also told me
- 5 | they were intercepting his phone calls.
- 6 Q Who said who's intercepting who's phone calls?
- 7 A Chapo that they were intercepting Lupe's phone calls.
- 8 Q Chapo said that he was intercepting it Lupe's phone
- 9 calls?
- 10 A He was in someway intercepting his phone calls.
- 11 Q Did Mr. Guzman hold you accountable for any portion of
- 12 this debt?
- 13 A Yes.
- 14 Q How much did you later pay back of that debt?
- 15 A All of it.
- 16 Q What was the amount that you owed?
- 17 A \$4.4 million.
- 18 Q Did Mr. Guzman in this first meeting ask you any

- 20 A Yes.
- 21 Q What did he ask?
- 22 A He asked us what cities we were selling drugs in, we
- 23 | could move, how many kilos could we actually move at the time.
- 24 Q Kilos of what?
- 25 A Of cocaine and then of heroin.

He asked if we could obtain, we get him guns. 12 Did you tell him where your base of operation was? 13 No, he knew. 14 He knew it was what? 15 Chicago. 16 After he asked you all these questions about your 17 capacity to move drugs, what, if anything, did he tell you 18 about what you would be doing in the future for him? 19 If we would continue to be working together through 20 Juancho and Olivares. Olivares?

1 A Connection, just drug business. We were in constant

- 2 communication.
- 3 Q Did these two men represent two individuals?
- 4 A Yes.
- 5 Q Explain to the jury?
- 6 A Well, Juancho was speaking on behalf of Chapo. And
- 7 Olivares was speaking on behalf of more of Mayo Zambada.
- 8 Q Did you continue after this first meeting to accept drug
- 9 | shipments from either of these two individuals?
- 10 A Yes.
- 11 Q From which ones?
- 12 A From both.
- 13 Q We'll get to that in a moment. But during this first
- 14 | meeting, did Chapo Guzman talk to you about any other violence
- 15 besides that violence with Lupe Ledesma?
- 16 A Yes.
- 17 Q Tell us what happened?
- 18 A While I was sitting there he asked if I knew, if I could
- 19 read English. I said yes. He had his guy put a piece of
- 20 paper over to me and my brother, he asked me to read it and
- 21 | tell him what I thought.
- 22 It was a news article, a drug seizure that happened
- 23 a couple months earlier. I'm not sure when, but it was two
- 24 cars that were pulled over on a highway and cocaine and heroin
- 25 were seized.

- 1 Q And what is it that Chapo Guzman wanted you to do with
- 2 this article?
- 3 A To tell him if I thought it was a real or if I thought it
- 4 was phony. It looked simply wrote. It didn't look real to me
- 5 at that time. I said, man, it looks like anybody could type
- 6 this up, you know.
- 7 Q What did Chapo say?
- 8 A He turned to his worker. He told him, look. The worker
- 9 | told him, what do you want me to do? He says, ejecuntenlo.
- 10 Q Which means?
- 11 A Execute him. The worker said, what about the money? He
- 12 | said, the money is spent by now.
- 13 Q Who said the money is spent by now?
- 14 A Chapo.
- 15 | Q Did you ever follow up with this account?
- 16 A Yes.
- 17 Q What happened?
- 18 A It didn't sit easy with me and my brother. So as soon as
- 19 | we got back to the business center of the hotel, we searched
- 20 | that seizure again. We found it in multiple newspapers. So I
- 21 | immediately called Juancho, told him, listen, I explained the
- 22 | situation, tell him it's real, the news story is real, you
- 23 know.
- Q What did why did you say that?
- 25 A I was worried that somebody might get hurt over a simple

- 1 mistake.
- 2 Q Do you know what happened?
- 3 A No.
- 4 Q Moving on. You were talking about receiving kilos of
- 5 | cocaine from Juancho and Olivares. You talked about receiving
- 6 that first load of 500-some odd kilos that first day, was that
- 7 | first shipment successful?
- 8 A Yes.
- 9 Q How do you know?
- 10 A Because I distributed to my workers and paid them back
- 11 for it.
- 12 Q You distributed it to your workers?
- 13 A I mean to my customers.
- 14 | Q Approximately how much did you make on that first
- 15 | shipment?
- 16 A After that first meeting I ended up paying a thousand
- 17 dollars cheaper than I paid before. So I easily made over a
- 18 million-and-a-half dollars that first shipment.
- 19 Q Just on that first shipment alone?
- 20 A Yes.
- 21 Q Over the next few years did you receive other cocaine
- 22 | shipments from Chapo and Mayo through these two gentlemen,
- 23 Juancho and German Olivares?
- 24 A I continued to receive cocaine from them routinely.
- 25 | Q With whom did you coordinate from period from May 2005

- 3 Q When you say submarine and train, what were you shipping?
- 4 A Cocaine.
- 5 Q With whom?
- 6 A With Alfredo and, I mean, Chapo.
- 7 Q You testified earlier that Tirso, the man you met in his

- 4 A Yes. In his office he pulled out a stack of paperwork.

- for that reason that he thought that the U.S. Government was
- 7 still looking for him.
- 8 Q Now did you have any conversations with Alfredo about

- 1 | talk to someone who acknowledged that Tirso had in fact paid
- 2 on a drug debt?
- 3 A Oh, yes.
- 4 Q Who is that?
- 5 A Mayo Zambada.
- 6 Q What did Mayo tell you?
- 7 A After I met him, you know I was still feeling a little
- 8 | funny about the situation that Tirso robbed me for around
- 9 | \$2 million. I was curious to see, you know, what his status
- 10 was in the cartel. I asked Mayo if he knew Tirso.
- 11 Q What did Mayo say?
- 12 A Mayo acknowledged that he knew him. He referenced him as
- 13 Fletro.
- 14 Q What does that mean?
- 15 A One who transports.
- 16 Q What did Mayo say that Tirso had done for Mayo?
- 17 A He said that he had, he told me he was he had guaranteed
- 18 the cocaine shipment.
- 19 Q You keep saying he.
- 20 A Tirso guaranteed him the cocaine shipments.
- 21 Q Tirso guaranteed whom the cocaine shipments?
- 22 A Mayo. And that if he lost anything, that he would pay
- 23 each kilo at \$20,000 a kilo, which was already outrageous to
- 24 me.
- 25 Q Why?

- 1 A A high price to pay, you know.
- 2 Q What did Mayo tell you had happened after Tirso had
- 3 guaranteed his work at \$20,000?
- 4 A I asked him, so what happened? He said he lost it.
- 5 And --
- 6 Q I'm sorry, you keep saying "he."
- 7 A Mayo said, I asked him what happened with Tirso. And he
- 8 | said he lost, Tirso lost, the cocaine. And he paid me. That

- 10 Q That's what Mayo is telling you?
- 11 A Yes.
- 12 Q You testified you were getting cocaine shipments

- 14 | were you receiving cocaine shipments from?
- 15 A From Alfredillo, Damaso, Alfredo Vasquez.
- 16 Q What about someone connected to Chapo and Mayo?
- 17 A Vicente Zambada.
- 18 Q Let's talk about Vicente Zambada. You were receiving

- 20 A Yes.
- 21 Q Was there another person or group that was connected with
- 22 Chapo and Mayo?
- 23 A Yes.
- 24 Q Who is that?

- 1 Detroit. So would you say that your cocaine supply increased
- 2 or decreased after you met Chapo Guzman and Mayo Zambada in
- 3 2005?
- 4 A It increased.
- 5 Q And you also have this line here from the border of
- 6 Mexico and California up to Los Angeles, then it looks like up
- 7 | into Canada. What does this signify?
- 8 A That's the place where the drugs were coming across in
- 9 | Baja California area, up to LA, then to Chicago and to Canada.
- 10 Q So this line here from Los Angeles to Chicago represents
- 11 what?
- 12 A That's the route that we would take to move the kilos
- 13 from LA to Chicago.
- 14 | Q What is the significance of Canada up here?
- 15 A That's Vancouver, British Colombia.
- 16 Q Did you have customers there?
- 17 A Yes.
- 18 Q Who's cocaine were you selling?
- 19 A Chapo, Mayo and Arturo Beltran-Leyva.
- 20 Q Do you know who was in charge of delivering loads to you
- 21 here in Los Angeles?
- 22 A Juancho and German Olivares.
- 23 Q Let's talk about, did you meet Chapo Guzman again?
- 24 A Yes.
- 25 Q Was there an incident with a cocaine load that happened

- 1 | shortly after you met Mayo and Chapo for that first time?
- 2 A Yes.
- 3 Q What happened?
- 4 A There is a seizure of cocaine, 398 kilos.
- 5 Q Where was that seizure?
- 6 A Bloomington, Illinois.
- 7 Q Where in Illinois is that?
- 8 A I think it's like two hours away outside of Chicago.
- 9 Q I'm circling Illinois, in that state?
- 10 A Yes.
- 11 Q So what happened?
- 12 A So this was our first shipment that we're going to load
- 13 after we met Chapo and Mayo.
- 14 $\mid Q \mid$ You talked about a 500-plus shipment, what is the
- difference between that 500-plus shipment that you got from
- 16 | the Juancho and German and this 398-kilo shipment?
- 17 A That shipment was given to us by one of the carriers. It
- 18 | was already in Chicago.
- 19 Q So when you say this was the first shipment that you were
- 20 receiving, what do you mean by that?
- 21 A Directly from them. We were supposed to unload these
- 22 | semi tractor-trailers with the cocaine.
- 23 Q What happened in Bloomington, Illinois?
- 24 A The truck was pulled over and law enforcement seized
- 25 | 398 kilos.

- 1 Q How did you learn that?
- 2 A Because two of my workers were arrested at a warehouse in
- 3 Chicago.
- 4 Q Once you learned about that seizure, did you have to go
- 5 somewhere?
- 6 A Yes.
- 7 Q Tell us what happened?
- 8 A I had to the give proof of that seizure and go back and
- 9 | see Chapo, and Olivares, and Vicente Zambada to discuss who's
- 10 | fault it was.
- 11 | Q You said Vicente Zambada, why was he involved?
- 12 A It was both their cocaine.
- 13 | Q Did you meet with Chapo, Vicente Zambada and Olivares?
- 14 A Yes.
- 15 Q This was when?
- 16 A June, July 2005.
- 17 Q You were asked to obtain something before you met with
- 18 these individuals?
- 19 A Some kind of proof of the drug, that these drugs were
- 20 seized.
- 21 Q What is the significance of obtaining proof the drugs
- 22 were seized?
- 23 A To see who's fault it was, to make sure nobody was just

- 1 something like that.
- 2 Q What about the amount the kidnappers were asking you

- 4 | A Lupe Ledesma owed \$10 million to Chapo. And after me

- 1 Pelos?
- 2 A Because he told me, Pocos Pelos came. I met him in
- 3 | Guadalajara. And he came and told me he was going to need a
- 4 bunch of things from me.
- 5 Q What things?
- 6 A Some vehicles, some guns, money.
- 7 | Q And did you provide Pocos Pelos with any of these items?
- 8 A Yes.
- 9 Q Did you provide him with all of the items that Pocos
- 10 | Pelos requested?
- 11 A No, I didn't have the guns that he needed, all the guns
- 12 he needed.
- 13 Q How did you resolve this issue providing Pocos Pelos with
- 14 all the guns that he needed?
- 15 A I spoke with Chapo. And he told me, don't worry about
- 16 | it. I'm going to send someone to you, just receive it.
- 17 Q And did you receive something?
- 18 A Yes.
- 19 | Q What?
- 20 A It was a vehicle. I had set up the drop in my house.
- 21 The guy drove a local pick up. It was escorted by a federal
- 22 | police car.
- 23 Q A federal police car?
- 24 A Yes.
- 25 Q And what was in the pickup truck?

FLORES - DIRECT - MR. FELS

- 1 A There was a stash compartment in it and he showed me how
- 2 to open it.
- 3 Q Who showed you?
- 4 A The courier, the guy who brought, who drove the pick up
- 5 to my house. He showed me how to open it. I opened it.
- 6 There was about 25, 30 AR-15s in the stash.
- 7 | Q What else? You said it was escorted by a police car what
- 8 | was in the police car that Chapo sent?
- 9 A It was bunch of logos for the federal police.
- 10 Q You say logos, what do you mean by that?
- 11 A Like badges, stickers, like that represented the federal
- 12 police in Mexico, the AFI.
- 13 Q And what did you do with those badges?
- 14 | A I helped iron them on a bunch of uniforms, black
- 15 uniforms.
- 16 Q Who did you turn those uniforms over to?
- 17 A To Pocos Pelos and the 20, 25 men they had sent with
- 18 them.
- 19 Q Now you mentioned that you had obtained -- did you obtain
- 20 some vehicles as well?
- 21 A Yes.
- 22 | Q What was the issue? Was there an issue with the
- 23 vehicles?
- 24 A Yes, there was.
- 25 Q What was that?

FLORES - DIRECT - MR. FELS

- 1 A One of my associates recommended that I get these stolen
- 2 | vehicles, which I thought was not a problem.
- 3 Q But what happened once you got these stolen vehicles?
- 4 A Somehow, I guess Pocos Pelos or one of them, reported
- 5 back to Chapo that they were stolen.
- 6 Q Did Chapo reach out to you?
- 7 A Yes. He was upset because the vehicles were stolen. He
- 8 | kind of reprimanded me about it. He said no innocents should
- 9 get hurt or take a loss because of something like this. We
- 10 can buy the vehicles new.
- 11 Q What did he say?
- 12 A For me to buy the vehicles brand new if I had to, but not
- 13 | to do that again.
- 14 Q Was there another concern about the fact that his people
- 15 | would be driving around in stolen vehicles, did he express to
- 16 you?
- 17 A Yes, that they could be in a situation with law
- 18 | enforcement putting them in danger.
- 19 Q Sir, what happened next?
- 20 A These men, including Pocos Pelos, kidnapped Lupe Ledesma
- 21 and both his sons.
- 22 Q Were you there?
- 23 A No.
- 24 Q How did you find out about it?
- 25 A I found out about it afterwards from Pocos Pelos.

Α 18 MR. PURPURA: Objection. 19 THE COURT: Overruled.

- 20 How?
- 21 He said he had suffocated him to death, put a plastic bag
- 22 over his head.
- 23 Who, if anyone, did you later confirm that Lupe Ledezma
- 24 was dead?
- 25 Chapo, with Chapo.

Flores - Direct/Fels

- 1 Q Describe what happened.
- 2 A So my father had been released from his kid -- from his
- 3 kidnapping and mentioned to me that there was rumors going
- 4 around that they had seen Lupe in some place somewhere. So
- 5 that left me uneasy.
- 6 Q Why?
- 7 A Because I felt that he was a threat to me. So I
- 8 mentioned it to Chapo.
- 9 Q What did he say?
- 10 A He said you are seeing ghosts, worry about something
- 11 else.
- 12 Q What did you take that to mean?
- 13 A That he was in fact dead, that Lupe was in fact dead.
- 14 | Q Did you have other meetings with Chapo Guzman besides the
- 15 ones we have talked about so far?
- 16 A Yes.
- 17 Q And let's talk about this meeting that happened a couple
- 18 years later.
- Do you remember the exact date?
- 20 A No.
- 21 Q Give us a general time frame as to when this meeting took
- 22 place, this fourth one, that you can remember?
- 23 A 2000 -- the end of 2006, 2007, I would say.
- 24 Q By this time you had already met with Chapo at least
- 25 three times; is that correct?

Case_1:09-cr-00466-RMC-RLM Document 638 Filed 07/10/19 Page 153 of 219 Pagell #: 12469 Flores - Direct/Fels 1 Α Yes. 2 Were you nervous still about being with Chapo? 3 No, not anymore, no. So what did you say to him when you saw him this time? 4 5 I explained to him that on my first trip I was extremely 6 nervous, and he asked me why. I said I had this idea like the 7 movies that you had lines of people and guys would shoot them 8 in the head and say next. 9 You told Chapo that you --10 I had this idea in my head of how it would be to meet 11 someone like that. 12 What was Chapo's reaction? 13 Everyone there laughed. 14 Including Chapo? 15 Yes. Then, in a serious tone, he told me, no, only the 16 ones we have to. 17 Now, you testified earlier you typically get cover loads 18 to hide cocaine shipments. 19 Do you remember that? 20 Yes. 21 Did you ever have a conversation with Chapo Guzman about 22 a strange cover load that you received in Chicago? 23 Yes.

Some years earlier?

Yes.

Case_1:09-cr-00466-RMC-RLM Document 638 Filed 07/10/19 Page 154 of 219 PagelF #: 124/0 Flores - Direct/Fels Describe it. Tell us about this load. 1 2 It was live sheep. 3 Live sheep was the cover load? 4 Yes. 5 Who presented you or made these connections and 6 arrangements with the sheep? 7 Guadalupe did. This is before he was killed? 8 9 Yes, on his way to Chicago. 10 Approximately what time frame was this? 11 About 2003. 12 So Lupe tells you that there is going to be a shipment of 13 cocaine? 14 Yeah. 15 And the cover load of sheep? 16 Yeah. He says we got go meet the driver. We have a 17 small issue. 18 What was the small issue? There was about 150 heads of sheep, live sheep; and I --19 20 and we were in a dilemma because the warehouse I had at the 21 time was in the city. So now I'm looking at a bunch of live 22 sheep, like what are we going to do with them, because the 23 driver explains he can't take the sheep back with him. 24 So after you unload the cocaine into the warehouse what

25

do you do with the sheep?

- 22
- 23 maybe possible -- there is better ways we could do it, you
- 24 know.
- 25 What was Chapo Guzman's response?

Flores - Direct/Fels

1 A That they lose one out of a hundred, and it was just the

- 2 price of business.
- 3 Q What do you mean by that they lose one out of a hundred?
- 4 A That they lose one out of a hundred loads, you know.
- 5 Q What happened to the other 99 loads?
- 6 A That they were successful. So it's just the price of
- 7 doing business.
- 8 Q Where in the United States was Chapo Guzman sending you
- 9 | cocaine? I'm just going to jump ahead to the 2008 time frame.
- 10 Where was Chapo Guzman sending you cocaine in the
- 11 United States?
- 12 A L.A., Chicago.
- 13 Q In 2008 did you ever learn from one of Chapo Guzman's
- 14 | lieutenants about whether Chapo was sending cocaine somewhere
- 15 other than the United States?
- 16 A Yes.
- 17 Q Who told you?
- 18 A Juancho.
- 19 Q What did Juancho tell you?
- 20 A We were inquiring about possibly meeting with a purchase
- 21 | some cocaine in Culiacan.
- Q Who is the we?
- 23 A My brother and I.
- 24 Q You wanted to purchase cocaine in Culiacan for what
- 25 purpose?

Q Did Juancho explain to you what Chapo Guzman was

sometimes receiving in exchange for the cocaine he was selling

25 in Canada?

When I heard him say the chemicals, I asked him, the chemicals for what? We had some kilos of cocaine in front of us, and he said to do that shit.

Q I'm sorry. To do what?

19

20

21

- 22 A To make that shit, the cocaine.
- 23 Q Let's move on to a different topic.

Other than the cocaine that you are talking about there, are you aware of other places that Chapo Guzman

Flores - Direct/Fels

- 1 A Vasquez, in 2008 -- or early 2008 came and offered me a
- 2 | chance to invest in one of these submarines. He explained to
- 3 | me that Chapo had invited him to invest in submarines to fill
- 4 this cupo they had.
- 5 Q What's a cupo?
- 6 A Space in the submarine, or a quota.
- 7 Q Did you say quota?
- 8 A Yes.
- 9 Q Go on.
- 10 A But that he had some conditions, some concerns.
- 11 Q What were the concerns that Alfredo Vasquez had about the
- 12 cocaine?
- 13 A That Chapo had told him that he couldn't provide the
- 14 | cocaine in Colombia or his sister would, you know, take the
- 15 | money down there. The only thing he could provide was the
- 16 ride.
- 17 Q Chapo is telling this to Alfredo?
- 18 A Yes. The only thing he was providing was the transport,
- 19 the submarine.
- 20 Q So what concerns did that create?
- 21 A Alfredo told me he had no contacts in Colombia to
- 22 purchase the cocaine or do anything. So he asked me if I
- 23 could help him.
- 24 Q Did you?
- 25 A Yes.

#: 124// Flores - Direct/Fels

1 Q And did you invest in this submarine load?

- 2 A Yes.
- 3 Q So how did you go about doing that?
- 4 A I had contacted my Colombian friend Andres, and we
- 5 | purchased the cocaine and we were given a number where they
- 6 | would drop the cocaine off to a certain person in Colombia;
- 7 and we deposited the cocaine, someone confirmed that it was
- 8 received, and waited for the shipment.
- 9 Q Do you remember what city in Colombia that was?
- 10 A It was in, I believe, Buenaventura, Colombia, something
- 11 like that. I don't remember.
- 12 Q Okay. Now, what happened? You invest in this cocaine,
- 13 you invested money, bought the cocaine for this submarine
- 14 | load. What happened?
- 15 A We were waiting on it and it wasn't coming.
- 16 0 Was this load ever successful?
- 17 A No, I don't know.
- 18 Q Well, did you ever follow up with your investment in the
- 19 submarine?
- 20 A Yes. After a couple of months, in talking to Alfredo, he
- 21 | was kind of like -- he was worried. He was concerned that he
- 22 | wasn't getting no response about the cocaine.
- 23 Q Alfredo was?
- 24 A Yes. He didn't know how to go about talking to Chapo
- 25 about it. So I told him that I would explain the situation to

#: 124/8
Flores - Direct/Fels

1 Juancho and receive back information.

- 2 Q So what did you do with Juancho?
- 3 A So I contacted Juancho and I explained to Juancho that I
- 4 | had invested with Alfredo into the submarine load and that I
- 5 | had been fronting some of that load by the Colombians.
- 6 0 Was that truthful?
- 7 A No.
- 8 Q So you lied to Juancho?
- 9 A Yes.
- 10 | Q Why did you lie to him?
- 11 A Just because I was trying to get information, and I knew
- 12 | that if I told him I owed some of the money it would give a
- 13 good reason to be kind of concerned about the time limit.
- 14 Q So explain that a little bit.
- 15 Why would the fact that you owed money to the
- 16 | Colombians make it more likely that Juancho would get you the
- 17 | answer?
- 18 A Because he would understand. They are used to work with
- 19 | the people down in Colombia, and he would understand the
- 20 situation.
- 21 Q So what did Juancho say after you claimed these
- 22 Colombians were co-investors in the load?
- 23 A He got a little serious and he said, listen, who did you
- 24 | buy the cocaine from? Because if there was a rival, we are
- 25 going to have some problems.

So did Juancho, now that you had given him 14 15 information that you wanted, did he come back to you and give 16 you some updates about the submarine load? 17 Yes. He said he had spoke with Chapo; and I explained to 18 him that I had like over \$6 million invested, and his response 19 was that Chapo said, don't worry, you are going to make a lot 20 more. - 4 2005?
- 5 A No, I'm not.
- 6 Q So that's an additional amount, correct?
- 7 A Correct.
- 8 Q So is there any way to figure out how much in drug
- 9 proceeds, drug money, that you turned over to Chapo and Mayo
- 10 just in that three-and-a-half-year period from May 2005 to
- 11 December 2008?
- 12 A Yes. If you average out the price of the sale of cocaine
- 13 | we were selling and multiply it by 38,000, you could get a
- 14 | pretty rough estimate.
- 15 | Q So what's the average price, you would guess, during that
- 16 | time frame 2005, 2008?
- 17 A I guess it could be about 21,000.
- 18 Q 21,000 per kilo?
- 19 A Yes.
- 20 Q So doing the math, 21,000 per kilo times 38,000 is what?
- 21 A Around \$800 million.
- 22 | O And that's the amount of money that you turned over to
- 23 Chapo and Mayo during that three-and-a-half-year period?
- 24 A Yes.
- 25 Q Now, during this period of time between May of 2005 and

Flores - Direct/Fels

1 December of 2008 the cocaine shipments that you got from Chapo

- 2 and Mayo, were they consistent in time, or were there long
- 3 | stretches where you wouldn't receive any cocaine?
- 4 A They were consistent. I don't remember ever having to
- 5 | tell my customers that I didn't have cocaine.
- 6 Q And let's do the math. Okay. How much money would you
- 7 | provide Chapo Guzman on average in any one, 12-month period?
- 8 A About \$222 million a year.
- 9 Q Now, that's for cocaine, right?
- 10 A Yes.
- 11 Q You mentioned that there was another drug that you
- 12 | received from Chapo and Mayo, right?
- 13 A Yes.
- 14 Q Let's talk about that. What drug was that?
- 15 A Heroin.
- 16 | Q And when did you start receiving shipments of heroin from
- 17 Chapo or Mayo?
- 18 A About 2006, 2007. I'm not too sure exactly.
- 19 Q Okay. So from that period of time, 2006 to 2007, until
- 20 the end of 2008, approximately how many kilos, kilograms of
- 21 heroin, did you receive from Chapo and Mayo?
- 22 A I would say around 200 kilos.
- 23 Q Now, why did you only get 200 kilos of heroin and you got
- 24 | 38,000 kilos of cocaine?
- 25 A Well, at the time, you know, heroin wasn't as popular as

Flores - Direct/Fels

1 it is today. And our primary cocaine -- our customers were

- 2 cocaine.
- 3 Q So did you ever have any conversations or discussions
- 4 | with Chapo Guzman about how you and your brother -- what kind
- 5 of ability you had to receive heroin loads?
- 6 A Yes.
- 7 Q What were those?
- 8 A I told him that we couldn't move heroin as fast in those
- 9 huge quantities.
- 10 Q We will get to that in just a bit, but what was the
- 11 average price that you were paying Chapo and Mayo per kilo for
- 12 the heroin?
- 13 A 55,000 a kilo.
- 14 Q All right. So let's do the math again.
- About two years, in the course of two years, how
- 16 | much money did you pay Chapo Guzman and Mayo for the
- 17 | 200 kilograms of heroin?
- 18 A About \$10 million.
- 19 Q All right. So on average 5 million a year?
- 20 A Yes.
- 21 Q So 5 million a year plus the 220 million, you said?
- 22 A Yes.
- 23 Q Which you were paying for the cocaine.
- 24 What was the average amount of money you were paying
- 25 Chapo and Mayo per year for the cocaine and the heroin

#: 12493 Flores - Direct/Fels

1 combined?

- 2 A About \$227 million a year.
- 3 Q I'm sorry. I thought you said 222. So 227 million of
- 4 | cocaine and heroin combined?
- 5 A Yes.
- 6 Q How would you pay for this cocaine and heroin once you
- 7 | sold it here in the United States? How would you get back to
- 8 Chapo and Mayo?
- 9 A I would say -- in cash, bulk shipments of cash.
- 10 Q Can you describe how that process went?
- 11 A After I would distribute the drugs to my customers I
- 12 | would have my couriers pick up the money, take it back to the
- 13 | stash house; and there they would count it and separate it in
- 14 denominations. And then we would package it up and mark the
- 15 | packages, depending on the denomination. So singles would be
- 16 A, \$5 bills would be B, tens would be C, and so on.
- 17 Q Then how would you get that money down to Mexico?
- 18 A Either I would turn it in to his couriers in Chicago
- 19 and/or L.A.
- 20 Q So you weren't bringing it down to Mexico, someone else
- 21 was?
- 22 A Correct.
- 23 Q And you testified earlier you turned yourself in to the
- 24 United States authorities in November 30, 2008.
- What prompted you to turn yourself in, sir?

#: 12494 Flores - Direct/Fels

1 A There was a number of different reasons. But primarily

2 | my wife became pregnant in 2008, and I began to think about

3 our future or the lack of a future and the life I was living.

- I couldn't promise my family tomorrow, you know. I couldn't
- 5 | see a future with them. I couldn't even imagine being a
- 6 husband or a father to my children, to my unborn children.
- 7 And I felt that it was better. Me and my brother
- 8 | were born while my father was in prison, and I just wanted
- 9 something better for my own children. I felt they deserved
- 10 it. That, those feelings, were emphasized by the next reason,
- 11 | was an internal war that broke out in the cartel.
- 12 Q Between whom?

- 13 A Between Chapo and Mayo and Arturo Beltran.
- 14 | Q How did this war between Chapo and Mayo versus Arturo
- 15 Beltran affect you and your brother?
- 16 A The case was in a lose-lose situation. We were forced to
- 17 choose sides.
- 18 Q What do you mean by that?
- 19 A They were both demanding loyalty, and they had both told
- 20 us that we couldn't do business with the other.
- 21 Q Now, before you testified that Chapo had given you the
- 22 okay several years earlier to work with Arturo Beltran.
- Did you learn something different at some point?
- 24 A Yes.
- 25 Q From whom?

#: 12495 Flores - Direct/Fels

1 A From Mayo Zambada.

2 Q What did Mayo tell you?

3 A At a meeting with my brother and I, he explained to us

4 that he was giving us a warning and he said this is the only

5 | chance I'm giving you. So this is the last warning I'm giving

6 you. I don't want you to do any more business with Arturo or

any of his people and for me to cease all communication with

8 him.

7

14

19

20

9 Q And you said that that affected your decision to turn

10 yourself in?

11 A Yes.

12 Q Why?

13 A For years my brother and I had enjoyed the sweet spot in

the cartel, where we could just focus on making money. You

15 know, we didn't have to worry about all this other stuff; and

16 | that was about to change. You know, my life would be put in

17 danger at that point, more danger.

18 Q So what did you decide to do?

A So I just my brother and I figured that if we were going

to continue to risk our lives we are better off trying to do

21 | it by trying to find a way out.

22 Q What was that way out for you?

23 A To reach out to the U.S. Government and telling them that

24 | we wanted to come in.

25 Q So let's talk about that.

A Well, they told me that there is no way they were going to pay for any drugs. So what I had to do was I began to

cases during this period of time while you were cooperating?

#: 1249/ Flores - Direct/Fels

1 continue my drug business, and whenever I offered up a seizure

- 2 to the DEA I would pay for the load myself.
- 3 Q Approximately how much money did the DEA have you turn
- 4 over in this way, pay for drug shipments, before you
- 5 surrendered?
- 6 A Close to \$40 million.
- 7 | Q And with regard to these seizures that you were helping
- 8 | the DEA make during this period of time prior to your
- 9 | surrender, who would have to pay the suppliers of the drugs
- 10 once those drugs were seized?
- 11 A My brother and I.
- 12 Q Why didn't they just -- why didn't the DEA just seize the
- drugs and say, oh, you know what, the cops seized them?
- 14 | A They could have done that, but that would put my life and
- 15 | my family's life at risk.
- 16 Q What else did would it put at risk?
- 17 A My relationship with the cartel. They would become
- 18 | suspicious that all these loads were getting seized. That
- 19 | would be a big problem for me and my brother.
- 20 Q So let me ask you this question, sir: Before the day you
- 21 | agreed to surrender, November 30, 2008, did you have any drug
- 22 deals with suppliers that you didn't first get the
- 23 authorization of the DEA to do?
- 24 A Yes.
- 25 Q Tell us about those.

Why did you do it? 15 Well, I was trying to continue with my brother in the 16 drug deals at the time. - 2 A No. I turned it in to the DEA.
- 3 Q You turned it in to the DEA, but wouldn't the DEA figure
- 4 | out that you had done this deal without authorization?
- 5 A Of course, yes.
- 6 Q Were there other unauthorized deals that did you with the
- 7 DEA -- I'm sorry -- that you did that you didn't have
- 8 | authorization from the DEA before you turned yourself in?
- 9 A Yes.
- 10 Q Give me another example.
- 11 A The heroin. I picked up a couple of kilos of heroin that
- 12 I wasn't supposed to.
- 13 Q When you say you weren't supposed to, what do you mean by
- 14 that?
- 15 A DEA had told me there had been multiple seizures of
- 16 | heroin prior to this load, and they explained to me that they
- 17 | couldn't keep seizing these kilos of heroin without arresting
- 18 | someone, so for me to stop making these deals.
- 19 Q Okay.
- 20 A So that put me in a hard situation.
- 21 Q What do you mean, it put you in a hard situation?
- 22 A Yes.
- 23 Q What do you mean by that?
- 24 A Because my brother had given his word to Chapo and Mayo
- 25 that we were going to receive these heroin shipments.

25

Α

Q

Yes.

Why?

#: 12501 Flores - Direct/Fels

1 A I started having a little like guilt about picking up

2 these kilos, and I figured, man, you know, if they would find

- 3 them in my possession I would be in more trouble. So I
- 4 | thought, you know, what I will just have my guys throw them
- 5 away.
- 6 Q Do you know if DEA ever recovered those eight kilos of
- 7 heroin you threw away?
- 8 A Yes.
- 9 Q So you engaged in -- do you know the term double dealing?
- 10 A Yes.
- 11 Q Working both sides?
- 12 A Yes.
- 13 Q You did that, didn't you?
- 14 A Yes.
- 15 Q Did you think it was the right thing to do?
- 16 A At the time, I quess, but today I see it wasn't. It was
- 17 wrong.
- 18 Q What's your explanation?
- 19 A I mean, it was me and my brother were out there along.
- 20 We didn't have a DEA SWAT team in the next room, ready to come
- 21 | save us if something went wrong. We were forced to make these
- 22 decisions split, at the moment.
- 23 And DEA don't work that way, you know. They got to
- 24 get permission and they have to set the team up and they have
- 25 to do all these things, all this red tape; and I didn't have

3	THE COURT: Let me see.

7	MR. PURPURA: I'll withdraw the objection if there					
8	is no further question.					
9	THE COURT: Is there no further question?					
10	MR. FELS: There is not a question about what the

Let's talk about what the parties want to do with regard to juror sketching. The government's position?

MS. PARLOVECCHIO: Your Honor, this is an anonymous

jury for a reason. We would object to any drawing of the jurors' likenesses in the courtroom sketches.

My understanding is usually when these courtroom sketches are published on a news site there is an attribution to it, so to the extent we can determine which of the artists made the sketch that captured the likenesses of the jurors, we would just ask to admonition them not to further disseminate it.

THE COURT: Well, I can't do that because I don't know who made the sketch. The sketch artists who are in here saw it on TV on one of the stations. I suggest you talk to those sketch artists maybe they can give you more information. If you have an application, I'll consider it.

MS. PARLOVECCHIO: We will do that.

THE COURT: Any position from defense.

MR. BALAREZO: Your Honor, we will defer to the Court, I will just note it was not posted on Twitter.

MR. LICHTMAN: Judge, is it known whether or not anyone on the jury is aware of this?

THE COURT: There's no reason to think they are.

The only communication about it has been a note from the sketch artists to chambers.

PROCEEDINGS

MR. LICHTMAN: Well, if that's the case if the jury is not aware of it, it's obviously a different set of circumstances.

THE COURT: So what does that mean your position is?

MR. LICHTMAN: Well, I would think at this point all we need is an admonition to the artist not to draw the jury anymore.

THE COURT: Okay. Well, we need a little more than that. I have to make a record to show that there's a need for that if I indeed find that there is a need for that. For the reasons suggested by the government, I think there is a need for it, I incorporate by reference all of the rationale that I set forth in my decision authorizing an anonymous jury in the first place, I will then add to that the fact that given the extraordinary media coverage that we've had virtually every day of the trial, the dissemination of good likenesses of the jurors would indeed create an intolerable risk that the jurors' identity could be uncovered despite the efforts of the Court to make sure that doesn't happen. So that's the basis for my finding that there should be no discernible sketching of the people on the jury, and that's my ruling.

I have no reason to believe the sketch artists that are here would not adhere to that. They've been very good.

They've asked for guidance in fact on this issue, so that's fine. They also suggested there is different levels of detail

that sketch artists can give. I have to leave it somewhat to their judgment as to how much detail that they can use without creating an identifiable likeness of the juror. They have suggested to me, for example, that one level of redaction you can have no faces at all, another level you can have the hair and the glasses only, and at another level you actually have full disclosure of face and what clothes they're wearing. I think the middle one is probably okay. We're talking about hairstyle and glasses or no glasses, I think that's probably non-discernible. Does anybody think we need the severe imposition of no faces at all?

MR. LICHTMAN: No, Judge.

THE COURT: Let me just say this, if any of the sketch artists -- yes, Ms. Shepard I'll hear from you.

MS. SHEPARD: If you want to keep something anonymous you have to keep it completely empty so you might not identify that particular person, but you might identify somebody else with the hair.

THE COURT: Okay.

MS. SHEPARD: And if you have just the hairstyle, the people who are interested in this trial know who the jurors are. The media follows people, as you well know.

THE COURT: I don't know that the identities of the jurors have been compromised yet.

MS. SHEPARD: Many artists have drawn the jurors and

the identification of someone, then we should have more obscure drawings of the jurors than that, so that's what we're going to do.
